句子排序样题:

Directions: Adjust the order of the following sentences to make them a coherent paragraph.

A. In another New York City blast, this one in Brooklyn, two construction workers and a third man were injured when a natural gas explosion tore through a house and set it on fire.

B. New York Fire Commissioner Nicholas Scoppetta said the chemicals were being investigated as a possible factor.

C. The blast occurred in a 10-story commercial building and authorities quickly ruled out terrorism and said the late-morning explosion may have been caused by a volatile mix of a sign company's chemicals stored in the basement.

D. The victims were taken to area hospitals with burns, severe head injuries, broken bones and cuts and a firefighter also was hospitalized in stable condition with back injuries.

E. The facade(正面) of the building was damaged and walls were blown out.

F. The two workers suffered first- and second- degree burns and were taken to Weill Hospital Cornell Medical Center, where they were listed in stable condition last night; the third man sustained minor burns and was taken to Jamaica Hospital, where he was listed in stable condition.

G. The 1530 PDT blast was caused by workers using a welding torch in the basement of a two-story frame house on Hemlock Street that was under renovation.

H. The blast happened on West 19th Street; within minutes after the explosion, police and more than 100 firefighters poured into the neighborhood.

I. A Fire Department spokesman said: "They created a source of ignition and there was an explosion and heavy damage to the building. This is an accidental situation."

J. The workers thought the gas was shut off, but the gas was still on.

The right order is:

_____ . _____ . _____ . _____ . _____ . _____ . _____ . _____ . _____ . _____

Part V Translation (25 分, 与教材单元主题相关)

Section A (1×15, 15 points)

Directions: *Translate the following paragraph(s) into English, using the words and phrases given below.*

在过去的一百年里，科学和技术给世界带来了巨大的变化。显然公众需要科学教育，以便对自己的命运做出明智的决定。如果公众很好地理解科学，人类文明就能生存。

(great changes, fate, make informed decisions, human civilization, survive)

Section B (1×10, 10 points)

Directions: *Translate the following paragraph(s) into Chinese.*

The “Chinese Dream” is a new term in China. It has recently become a hot topic among the media. The core (核心) of the “Chinese Dream” is to achieve the ultimate great rejuvenation (伟大复兴) of the Chinese nation. Therefore, the “Chinese Dream” is not only the nation’s dream, but also the dream of all Chinese people. Chinese people are now opening their arms to embrace (拥抱) the world.
